Case ID #: 66F-HQ-A1211968 - 95

Title: FINDINGS OF THE OFFICE OF THE INSPECTOR
GENERAL (OIG) DEPARTMENT OF JUSTICE,
CRITICAL OF FORENSIC WORK PERFORMED
BY CERTAIN LAB EXAMINERS

Synopsis: To place this document on record in the Task Force control file and to place a copy on the top serial in every investigative file containing forensic work performed by any of the thirteen Laboratory Examiners whose scientific work was criticized by the OIG.

Reference: 66F-HQ-A1211968 Serial 82

Details: BE ADVISED, one or more of the Laboratory Examiners who performed scientific analysis in this investigation was criticized in the OIG's report issued on April 15, 1997. The OIG conducted a thorough review of allegations of wrongdoing and improper practices within certain sections of the FBI Laboratory. It issued a report which, among other findings, was critical of the scientific work performed by thirteen individual examiners assigned to the Lab. The allegations and criticisms concerning these individuals varies greatly and in some instances is case specific.

If the forensic work contained in this file is used in any way in the future, both the OIG's findings and the forensic analysis of the examiners should be reviewed. In addition, legal advice should be obtained as to the FBI's disclosure obligations.

The criticized examiners are, in alphabetical order:

JOHN WALKER retired from the Navy in 10/76, after twenty years service. He was a chief warrant officer (CWO-3) and held a top secret/crypto clearance. ARTHUR WALKER retired from the U.S. Navy on 7/1/73, and also had a top secret/crypto clearance. Both are currently self-employed as private detectives and as such, it can be assumed are somewhat knowledgeable in surveillance and electronic techniques; in addition, they have the capability of checking police department files, NCIC records, etc. The original complainant in this matter has successfully passed a polygraph examination regarding the information furnished in the allegation.

As mentioned in referenced teletype, JOHN ANTHONY WALKER had attempted to recruit his daughter, LAURA MAE WALKER SNYDER while she was employed by the U.S. Army at Ft. Polk, Louisiana, in 1979. In approximately August 1979, she returned on leave to Norfolk, Virginia, and visited her father at his request. At that time, he asked her if she wanted to make a great deal of money, even if it meant that she would have to spend two years in prison. He instructed her to get herself assigned to "COMMSEC" where she would have access to classified information and U.S. Army secure communication equipment. He emphasized it would be important for her to work her way into the "COMMSEC," because she would have access to Army-wide communications and classified information.

She advised he told her that she could make a lot of money by providing him classified information, but he did not make reference to a foreign country. After the discussion with him, she was given \$100 by her father, and he told her that was only the beginning. After the meeting with her father, he contacted her periodically by telephone and by mail to see if she would agree to work with him. In approximately September 1979, he flew from Norfolk, Virginia, to Ft. Polk, Louisiana, to meet with her. At this point, he asked her if she had given his offer any thought. She allegedly did not agree to provide her father with classified information and left the U.S. Army in approximately October 1979.

REGARDING THAT MEETING ON THE AFTERNOON OF APRIL 12, 1985,

IN [REDACTED] MASSACHUSETTS.

b6
b7C

MR S. WALKER ADVISED AT NO TIME DURING THEIR CONVERSATION
DID JOHN WALKER REFER SPECIFICALLY TO HIS ESPIONAGE ACTIVITIES,
HOWEVER, HE MADE SEVERAL COMMENTS ALLUDING TO HIS ACTIVITIES
IN WHICH, ACCORDING TO MR S. WALKER, HE COULD HAVE BEEN REFERRING TO
NOTHING ELSE. FOR EXAMPLE, HE TOLD HER THAT HE HAD APPROACHED
ALL OF THEIR CHILDREN EXCEPT [REDACTED] TO HELP HIM. HE SAID
IF SHE SAID ANYTHING (TO THE AUTHORITIES ABOUT HIM), IT WOULD
HURT THEIR SON MICHAEL'S CAREER. HE NOTED MICHAEL IS IN
THE PROCESS OF GETTING A SECRET CLEARANCE NOW. SHE ADVISED
SHE ASKED HIM IF HE MEANT MICHAEL WAS HELPING HIM, AND HE
REPLIED "I'M NOT SAYING THAT." (IT IS NOTED MR S. WALKER
ADVISED [REDACTED] WALKER IS VERY MUCH AWARE OF HER CONCERN OVER THE
WELFARE AND WELL BEING OF [REDACTED] CHILDREN AND [REDACTED] WALKER IS
DEVIOUS ENOUGH TO BE IMPLYING TO HER THAT SOMEHOW THEIR CHILDREN
WOULD BE HARMED AND POSSIBLY BE IN TROUBLE IF SHE TURNS HIM IN.)

b6
b7C

SHE FURTHER ADVISED JOHN WALKER TOLD HER THAT "SHE KILLED THE GOOSE THAT LAID THE GOLDEN EGG" BY DIVORCING HIM (IN 1976) IN THAT HE HAD TO GET OUT OF THE NAVY BECAUSE HE WAS AFRAID OF WHAT SHE MIGHT DO (MIGHT TURN HIM IN). HE COMMENTED HE ~~WOULD~~ HAVE MADE AS MUCH AS FOUR MILLION DOLLARS IF HE WOULD HAVE STAYED IN THE NAVY.

SHE ADVISED WALKER ALSO COMMENTED HE HAS NO MONEY NOW, BUT HE PLANS TO EXPAND OR DO SOMETHING WITH HIS PROPERTY IN SOUTH CAROLINA AND TOLD HER THAT POSSIBLY SHE COULD BENEFIT (RECEIVE SOME MONEY) BY THAT.

MRS. WALKER ALSO ADVISED DURING THEIR CONVERSATION, JOHN WALKER TOLD HER HE HAD SEVERAL OTHER "OPERATIVES" WHILE HE WAS IN THE NAVY AND INDICATED THEY ARE ALL OUT OF THE NAVY NOW.

SHE ADVISED WALKER TOLD HER THAT ON TWO OCCASIONS, HIS TRIPS TO SEE THEIR DAUGHTER LAURA WERE PAID FOR BY HIS CONTACT. HE TOLD HER THAT LAURA NEVER GAVE HIM ANY INFORMATION AND SAID HE GAVE LAURA [REDACTED] AFTER SHE WAS DISCHARGED FROM THE U.S. ARMY AND SHORTLY BEFORE SHE [REDACTED]
[REDACTED] LAURA AND [REDACTED] WERE LIVING IN

b6
b7c

PAGE FOUR DE NF 0008 ~~SECRET~~

CALIFORNIA AT THE TIME. MR. WALKER ADVISED IT WAS HER IMPRESSION
[REDACTED] ALLEGEDLY GIVEN TO LAURA WAS FURNISHED BY WALKER'S
CONTACT.

SHE ADVISED AT ONE POINT DURING THEIR CONVERSATION, WALKER
TOLD HER ONE OF THE INDIVIDUALS IN THE U. S. NAVY WHO GAVE HIM
INFORMATION WAS IN "INTELLIGENCE." MR. WALKER ADVISED HE
MENTIONED THE INDIVIDUAL'S NAME AND ALTHOUGH SHE COULD NOT
RECALL WHAT THE NAME WAS, IT SOUNDED LIKE [REDACTED] AND SHE
GOT THE IMPRESSION THAT THE INDIVIDUAL IS STILL IN THE U. S. NAVY
AND MIGHT BE IN SOME WAY AFFILIATED WITH THE NAVAL INVESTIGATIVE
SERV [REDACTED] ALTHOUGH QUESTIONED POINTEDLY AND IN DEPTH ABOUT
THIS INFORMATION, SHE COULD NOT BE MORE SPECIFIC.

SHE ADVISED DURING THEIR CONVERSATION, WALKER COMMENTED
THAT HE DID NOT WANT TO BE INTERVIEWED FROM BEHIND BARS ON THE
T.V. PROGRAM "SIXTY MINUTES." SHE ADVISED THIS WAS A REFERENCE
BY JOHN WALKER TO ONE OF THE THINGS THAT MIGHT HAPPEN TO HIM
IF SHE TURNS HIM IN AND HE IS ARRESTED. HE ALSO COMMENTED TO
HER THAT HE EXPECTS SOMEONE TO "TAP HIM ON THE SHOULDER" SOME DAY.
SHE ADVISED THIS WAS ANOTHER REFERENCE BY WALKER TO THE
POSSIBILITY OF HIS EVENTUALLY BEING ARRESTED FOR HIS ESPIONAGE
ACTIVITIES.

b6

b6

PAGE FIVE DE NF 0008 ~~SECRET~~

SHE ADVISED DURING THEIR CONVERSATION, WALKER NAMED HIS
PRESENT [REDACTED] AND SHE BELIEVED THE NAME WAS [REDACTED] OR

[REDACTED] (LNU). NORFOLK BELIEVES THAT INDIVIDUAL IS [REDACTED]

NOT FURTHER IDENTIFIED TO DATE.

SHE ADVISED DURING THEIR CONVERSATION, JOHN WALKER WAS TALKING
ABOUT HIS DETECTIVE BUSINESS AND BROUGHT UP THE SUBJECT OF
SURVEILLANCE. HE COMMENTED THAT IT COSTS THE FBI \$150 PER HOUR
TO FOLLOW SOMEbody AND IT WOULD NOT BE POSSIBLE FOR THEM TO FOLLOW
HIM ALL OF THE TIME. HE ALSO MENTIONED BUGGING TELEPHONES AND
BUGGING CARS. HE MADE NO COMMENT TO MRS. WALKER INDICATING THAT
HE THOUGHT HIS TELEPHONES OR HIS VEHICLES WERE BUGGED. SHE GOT
THE IMPRESSION HE MENTIONED IT MERELY TO BRING UP THE FACT TO
HER THAT IT CAN BE DONE. SHE [REDACTED] HE DID COMMENT TO HER THAT
ALL THE AUTHORITIES NEEDED TO HEAR ON A TELEPHONE TAP WAS SOME
SLIGHT COMMENT THAT AN INDIVIDUAL HAD DONE SOMETHING WRONG AND
THE AUTHORITIES COULD TAKE THAT AND MAKE A CASE ON IT. MRS. WALKER
COULD FURNISH NO OTHER DETAILS REGARDING HER CONVERSATION WITH HER
HUSBAND OTHER THAN TO STATE THAT AT NO TIME DID HE SEARCH HER
OR HER PURSE, AND THE ONLY TIME HE TOUCHED HER WAS WHEN HE MADE THE

b6

EXPECTING SOMEONE TO TAP HIM ON THE SHOULDER. HE TAPPED HER ON HER SHOULDER TO EMPHASIZE HIS COMMENT. HE DROVE HER TO A LOCAL FAST-FOOD RESTAURANT WHERE THEY SAT AND TALKED, INDICATING HE DID NOT WANT TO STAY IN HIS CAR TO TALK. SHE ADVISED SHE DID NOT CONSIDER THAT TO BE UNUSUAL BECAUSE THEY NEVER SAT IN HIS CAR TO TALK IN THE PAST. MR S. WALKER NOTED THAT ON THE EVENING OF APRIL 10, 1985, SHE WAS SUPPOSED TO HAVE GOTTEN TOGETHER WITH JOHN WALKER, HOWEVER, AT APPROXIMATELY FIVE P.M. THAT DAY, SHE TELEPHONED HIM AND BROKE THEIR APPOINTMENT, INDICATING SHE WAS GOING TO SPEND THE EVENING WITH [REDACTED] JOHN WALKER BECAME VERY UPSET AND INSISTED THAT IT WAS NECESSARY FOR HIM TO SEE HER AND SHE AGREED TO SEE HIM ON THE EVENING OF APRIL 11, 1985. [REDACTED] ADVISED DURING THEIR TELEPHONE CONVERSATION OF APRIL 10, 1985, SHE COMMENTED TO HIM THAT SHE KNEW WHAT HE WANTED TO TALK TO HER ABOUT AND SHE TOLD HIM HE DID NOT HAVE TO WORRY, SHE HAD NOT DONE IT (TURNED HIM IN) BECAUSE SHE DID NOT HAVE THE NERVE TO DO SO. SHE NOTED DURING THEIR MEETING ON THE EVENING OF APRIL 11, 1985, HE NEVER ASKED HER WHETHER OR NOT SHE HAD TURNED HIM IN AND SHE NEVER BROUGHT UP THE SUBJECT.

b6
b7c

IN ADDITION TO THE ABOVE INFORMATION, MRS. WALKER ADVISED JOHN WALKER USED TO BE IN THE NAVY WITH GNUM [REDACTED] CURRENTLY A [REDACTED] SHE NOTED [REDACTED] WAS STATIONED WITH WALKER AND SHE BELIEVES THAT WALKER HAS BEEN A KLAN MEMBER AND MAY PRESENTLY BE A KLAN MEMBER. THIS WAS IN RESPONSE TO A QUESTION REGARDING HER KNOWLEDGE OF WALKER'S ORGANIZATIONAL MEMBERSHIPS.

WITH REFERENCE TO [REDACTED] [REDACTED] SHE ADVISED [REDACTED] LIVES AT AN UNRECALLED ADDRESS IN [REDACTED] MARYLAND. TO HER KNOWLEDGE, THAT WAS THE LAST KNOWN RESIDENCE OF [REDACTED]

MRS. WALKER COMMENTED THAT [REDACTED] HATES JOHN WALKER BECAUSE OF THE WAY HE HAS SPOKEN TO HER IN THE PAST AND JOHN WALKER IS AFRAID SHE [REDACTED] MIGHT TURN HIM IN.

Tenant further agrees to pay (or to reimburse Landlord promptly if Landlord elects to pay) any and all attorney's fees and court costs incurred in connection with the collection of delinquent rents and all other sums due Landlord under this lease. Rent will be considered late 5 days after the due date.

Assignment 7. Tenant covenants that the demised premises shall be used only for the purpose above mentioned, and that Tenant will not assign this lease nor sublet the demised premises or any part thereof, nor permit any other person to occupy same, without the prior written consent of Landlord. If Tenant is a corporation, the sale of a majority of its outstanding capital stock shall be deemed an assignment of this lease. If any person, firm or corporation other than Tenant is in possession of the demised premises during the term hereof, without the written consent of Landlord, Landlord shall have the option of terminating this lease, or of considering such person, firm or corporation in possession as the assignee of Tenant and therefore, obligated to observe and perform all the covenants, provisions and conditions herein contained binding upon Tenant.

Remedies for Default 8. Tenant covenants that if the demised premises at any time are deserted, abandoned or closed, or if Tenant defaults for a period of five (5) days in paying any installment of rent when due or in performing any covenant, provision or condition herein contained binding upon Tenant, Landlord shall have, in addition to all other rights and remedies provided by law, the right, without notice to Tenant, to enter and take possession of the demised premises, peaceably or by force, and to terminate this lease; and Landlord may re-let the demised premises, in whole or in part, in one or more leases, for the unexpired portion of the term, or any part thereof, and receive the rent therefor and apply it on the rent and other charges due hereunder, the rate and terms of such reletting to be such as Landlord deems expedient, and Landlord's action shall be final and binding upon Tenant, and Tenant agrees to pay promptly to Landlord on demand at one time or from time to time, any difference between the rent and other charges payable hereunder and any small amounts collected by Landlord from the tenant or tenants to whom the demised premises may be relet as aforesaid. If Tenant goes into bankruptcy, voluntary or involuntary, or into receivership, or makes a general assignment for the benefit of creditors, Landlord shall have the right to terminate this lease at such time thereafter as Landlord may elect and in any such event and/or election Tenant shall have all the rights and/or remedies provided by law and/or by this lease.

Trade Fixtures 9. Tenant agrees, at his own cost and expense, to fixture the demised premises with new trade fixtures. All trade fixtures installed in the demised premises by Tenant shall remain Tenant's property; provided, however, that nothing herein shall be deemed to effect Landlord's remedy of distraint. Tenant agrees to repair (or to reimburse Landlord for the cost of repairing) any damage to the demised premises occasioned by the installation or removal of said trade fixtures.

Fire Hazard 10. Tenant agrees to install such reasonable fire prevention and/or extinguishing equipment as Fire Marshall may require from time to time in writing. Tenant further agrees not to do anything which will increase the rate of fire insurance on the building in which the demised premises are located, without the prior written consent of Landlord; and if such consent is given, Tenant agrees to pay promptly to Landlord the amount of the increase in the cost of such insurance, during the term of this lease.

Utility Bills 11. Tenant covenants to pay promptly for all gas, water, electricity, sewage disposal and other utilities used in the demised premises during the term of this lease.

Landlord's Repairs and Right of Entry 12. Landlord covenants that it will, at its own cost and expense and with reasonable dispatch after being notified in writing by Tenant of the need therefore, make such repairs to the exterior of the demised premises (including the roof, gutters, downspouts and outside walls, but excepting all glass and doors), as may be necessary to keep the same in good condition of repair, provided, however, that (i) if the need for such repair is occasioned by a casualty resulting from the negligence or willful act of Tenant, or any of his agents, employees or contractors, and (ii) if such casualty shall not be within the coverage of a standard fire insurance policy with extended coverage, then such repairs shall likewise be made by Landlord but shall be charged to and be paid for by Tenant. Anything in the foregoing to the contrary notwithstanding, Landlord shall have no liability whatsoever for damage or injury to person or property occasioned by its failure to make any such repair (e.g., injury or damage to property resulting from leaks caused by a defect in the roof, outside walls, gutters and/or downspouts) unless, within a reasonable time after being notified in writing by Tenant of the need therefore, Landlord shall not be liable if due to any cause beyond

Landlord's control, including, without limitation, strike and/or inability to obtain materials and/or equipment. Landlord, its agents, employees and contractors, shall have the unobstructed right, from time to time, to enter the demised premises for the purpose of making any of the aforesaid repairs. Tenant shall not be entitled to any reduction in rent or to any claim for damages by reason of any inconveniences, annoyance, and/or injury to business arising out of any repairs made by Landlord pursuant to this paragraph.

Repair by Tenant 13. During the term of this lease Tenant covenants, at Tenant's cost and expense: (i) to keep in good order and repair (and to make such renewals from time to time as may be necessary or advisable) the heating and cooling plant, pipes, conduits, wires and appurtenances of the demised premises, including all water, gas and waste pipes and fixtures appurtenant thereto, (ii) to unstop promptly all choked waste pipes and toilets, (iii) to keep all flues clean, (iv) to replace all broken glass and doors (both interior and exterior) promptly, (v) to carry plate glass insurance and furnish Landlord with satisfactory evidence thereof, and (vi) to keep all other parts of the demised premises (excepting those which Landlord has agreed herein to repair) in good order and condition, ordinary wear and tear excepted.

Insects and Rodents 14. Tenant covenants to do and to pay for those things reasonably necessary, or required by law, to keep the demised premises free of roaches, rodents, insects and other pests, and Tenant agrees that Landlord shall not be liable for any damage caused thereby.

Damage by Vandals 15. Tenant covenants that if the exterior and/or the interior of the building in which the demised premises are located are damaged by persons breaking, or attempting to break, into the demised premises, or by vandals, the cost of repairing any and all damage to the demised premises and said building caused thereby over and above any insurance proceeds received by Landlord in respect thereto (it being understood by Tenant that Landlord is not required to carry any such insurance) will be borne by Tenant to Landlord.

16. Tenant covenants not to paint or place (nor permit to be painted or placed) any sign or other advertising device, bill or billboard upon or about the demised premises (or the exterior of the building in which the demised premises are located), or any part thereof, without the prior written permission of Landlord, which permission shall be subject to withdrawal by Landlord at any time for any reason whatsoever.

Nuisance 17. Tenant covenants not to allow the demised premises to be used for any illegal or immoral purpose, and not to do (or suffer to be done) in or about the demised premises any act or thing which may be a nuisance, annoyance, inconvenience or damage to Landlord, Landlord's agent, the occupants of adjoining property, or the neighborhood.

No Alterations 18. Tenant covenants not to paint the demised premises or any part thereof, not to make (or suffer to be made) any waste thereof or alterations or improvements therein or thereto, not to place any covering over any wooden floor, without prior written permission of Landlord.

Care of Roof 19. Tenant covenants (i) not to place (or suffer to be placed) any debris on the roof of the building in which the demised premises are located, (ii) not to cut into or drive nails into or otherwise mutilate said roof, and (iii) to keep the gutters and downspouts free of trash, leaves and gravel.

Compliance with Governmental Requirements 20. Tenant agrees that Tenant has received and will keep, at Tenant's expense, the demised premises and all appurtenances thereto, including all yards, alleys and sidewalks, in good safe, tenantable and sanitary condition, that Tenant will, at Tenant's expense, promptly remove all snow and/or debris, whether same is left on the property by Tenant or others (Landlord and Agent excepted); that Tenant will, at Tenant's expense, promptly comply with and carry out all laws, ordinances, rules regulations and requirements (including zoning) of the federal, state, municipal and county governments, relating to the demised premises and/or the business conducted therein; and that Tenant will indemnify Landlord against any and all liability for damage to person and property caused by the breach of any covenant or agreement of Tenant contained in this lease. Tenant recognizes that neither Landlord nor Agent makes any representation, express or implied, that the demised premises are zoned for the use(s) contemplated by Tenant and expressed in paragraph 3 of this lease. Tenant being satisfied before executing and delivering this lease that the demised premises can be used for such purpose(s), and Tenant shall not have the right to terminate this lease, nor shall Tenant be entitled to any abatement of rent payable under the provisions of this lease or any claim for damages, in the event Tenant cannot use the demised premises, in whole or in part, for the purposes for which Tenant intends to use same.

Failure to Repair 21. Tenant agrees that if Tenant fails to make any repair or to remove any debris as required in this lease, within five (5) days after the receipt of written notice from Landlord in respect thereto, such may be undertaken by Landlord, and Tenant agrees to reimburse Landlord promptly for the cost thereof.

Condition on Termination 22. Upon the termination of this lease, Tenant covenants to deliver to Landlord the demised premises and all appurtenance thereto, peaceably and quietly, in as good order and condition as same now are or may hereafter be put by Landlord or Tenant, ordinary wear and tear and damage from fire or other casualty not occasioned by the fault or negligence of Tenant, Tenant's agents, employees, and independent contractors. Also to turn in all keys for doors with locks.

Improvements Become Landlord's Property 23. Tenant agrees that all additions and improvements and attached equipment installed in or on the demised premises by Tenant, including but not being limited to, electric wiring, electric fixtures, show window reflectors, screens, screen doors, awnings, awning frames, floor

coverings (except carpets and rugs), furnaces and air-conditioning machinery and equipment and approved signs shall immediately become the property of Landlord and shall not be removed by Tenant at the termination of this lease, unless requested to do so by Landlord, in which event Tenant agrees to do so and to repair promptly any damage caused by such removal.

Damage by Fire 24. It is agreed that if the demised premises, or the building or buildings of which the demised premises are a part, or any portion thereof, or any improvements now or hereafter constructed thereon or added thereto, shall be damaged by fire or other casualty, so as to render same or any portion thereof, (in the opinion of Landlord.) untenable, Landlord or Tenant shall have the right, at any time within ninety days (90) written notice of its intention so to do, if this lease is so terminated, rent shall abate from the time of such casualty. If the lease is not so terminated, the demised premises shall be restored, with reasonable dispatch, by and at the expense of Landlord, and the rent due hereunder shall be proportionately abated, according to the loss of use, until the demised premises are substantially restored.

Condemnation 25. If any portion of the demised premises shall be taken by the exercise of the power of eminent domain (or sold to the holder of such power pursuant to a threatened taking) this lease shall terminate upon such taking or when such sale is completed. Tenant shall not be entitled to any part of the condemnation award or purchase price and Tenant expressly waives any and all rights thereto.

Liability of Landlord 26. It is agreed that Landlord shall not be liable or responsible in any way for any damage to person or property sustained in or about the demised premises during the term of this lease, howsoever the same may be caused, unless due to Landlord's own willful acts or negligence unless Landlord fails to make a repair which he has agreed to make within a reasonable time after being notified in writing by Tenant of the need therefor.

Insurance 27. (a) Tenant agrees that he will hold Landlord and Agent harmless from any and all injury or damage to person or property in, on or about the demised premises and also all injury or damage to person or property in or about the demised premises, and the onrtyways, and such portions of the sidewalks, driveways, and delivery areas as adjoin the demised premises proximately caused by Tenant, including, without limitation, all costs, expenses, claims or suits arising in connection therewith, provided, however, that this clause shall not apply to injury or damage caused by Landlord's own willful act or negligence. Landlord's failure to make any repair (which Landlord has herein agreed to make) within a reasonable time after Tenant's written notice of the need therefor. Tenant will at all times during the term hereof, at his own cost and expense, carry with a company or companies satisfactory to Landlord public liability insurance on the demised premises and adjoining Common Areas, with limits of not less than One Hundred Thousand Dollars (\$100,000.00) for injury or death to one person and Three Hundred Thousand Dollars (\$300,000.00) for injury or death to more than one person, and property damage of Fifty Thousand Dollars (\$50,000.00) for each accident, which insurance shall be written or endorsed so as to protect Landlord, Agent and Tenant, as their respective interests may appear. Said policy or policies shall contain provision insuring Tenant against all liability which Tenant might have under the above held harmless provision. Tenant covenants that certificates of all such insurance policies shall be delivered to Landlord promptly without demand. If Tenant fails to provide such insurance, Landlord may, but shall not be required to, obtain such insurance and collect the cost thereof as a part of the rent herein reserved. Under no circumstances shall Agent have any liability to Landlord because of Tenant's failure to carry such liability insurance, nor shall Agent have any responsibility to Landlord in obtaining from Tenant any certificate of such insurance.

(b) Landlord will, at all times during the term hereof, at its own cost and expense, carry on the demised premises with a company or companies licensed to do business in the Commonwealth of Virginia public liability insurance on the Common Areas, with limits of not less than One Hundred Thousand Dollars (\$100,000.00) for injury or death to one person and Three Hundred Thousand Dollars (\$300,000.00) for injury or death to more than one person, and property damage of Fifty Thousand Dollars (\$50,000.00) for each accident, which insurance shall be written or endorsed so as to name both Landlord and Agent as insured under such policy(ies). If Landlord incurs additional cost, for which Agent shall pay Landlord within thirty (30) days of such notice or Landlord may remove Agent as one of the named insured.

Waiver of Subrogation 28. Insofar as the insurance policy or policies concerned are not invalidated thereby, each party hereto waives any and all right of recovery against the other party or parties hereto for each and every insured loss under the terms of such policy or policies.

Occupancy 29. If Tenant is unable to obtain possession of the demised premises at the beginning of the term hereof due to any act or condition beyond Landlord's control, such as the failure of the prior tenant to vacate the demised premises, Landlord shall not be liable for any loss or damage resulting therefrom and this lease shall not be affected thereby in any way, but the rent payable hereunder shall be proportionately abated until the premises are available for Tenant's occupancy within sixty (60) days after the beginning of the term, Tenant may terminate this lease by giving Landlord written notice thereof within ten (10) days after the lapse of said lease sixty (60) day period.

Entry by Landlord 30. Tenant agrees that Landlord may, from time to time, enter to view the demised premises and to show the same to prospective buyers or tenants. Landlord may also make repairs, alterations and improvements in and to the demised premises and to any portion of property of which the demised premises are a part or which adjoin the same, and for that purpose Landlord, and Landlord's employees, agents and independent contractors, may enter the demised premises, and move furniture, showcases, floor coverings and fixtures as may be necessary, without liability for damages resulting therefrom; but nothing herein contained shall be construed to require Landlord to make any repairs, alterations or improvements.

No Parol Representative 31. John Anthony Walker, Jr. date of birth July 28, 1937, served in the U.S. Navy as an enlisted man from 1955 to 1966. In 1966 he became a Warrant Officer and served until 1976 at which time he retired from the service.

Arthur James Walker, who is alleged to have been recruited by his brother John Anthony Walker, is a retired U.S. Navy Lieutenant Commander, date of birth October 25, 1934. Both operate Confidential Reports, Incorporated and Counterspy, Incorporated at 405 South Parliament Drive, Virginia Beach, Virginia.

This investigation is predicated on information provided by John Anthony Walker's former wife, Barbara Joy Crowley Walker, and their daughter Laura Walker Snyder.

Barbara Joy Crowley Walker of [redacted] Massachusetts, in a series of interviews with the FBI alleged that her former husband had been selling classified information to the USSR for about 19 years.

b6
b7C

She claimed that her former husband's espionage activity began in 1967 or 1968 while he was still in the Navy. They at the time had financial problems derived from their opening of a bar in South Carolina. Walker, during this period, was transferred to Norfolk. She recalled their not having any money. Despite that fact, her husband bought a house in an exclusive area, new furniture, a sailboat and real estate in another area. Her suspicions eventually led her to look through his desk where she found black and white photographs of trees, roads and bushes which she believed were drop sites.

In the fall of 1969, Barbara Walker says she accompanied her husband to the Washington, D.C., area. Using a chart, her husband drove to a spot near a stop sign and left an object. He drove on and picked up another object. Later in 1969, they transferred to San Diego, California, but returned to Washington, D.C., where her husband made a drop near a school and at another spot picked up \$35,000 in cash.

Memorandum for the Attorney General

Barbara Walker alleged her former husband recruited his brother, Arthur James Walker, who acknowledged to her that he had been involved with the Soviets from 1966 to 1976. She added that John Anthony Walker attempted to recruit his daughter Laura Mae Walker Snyder, in 1978 or 1979 while she served in the U.S. Army as a radioman.

On March 7, 1985, Laura Mae Walker Snyder advised she enlisted in the U.S. Army in 1978. While stationed at Fort Gordon in the Signal Corps Training Program, her father visited her and asked her questions about the capabilities and operation of equipment and codes used in her training. In August 1979, she visited her father at his request at which time he asked if she wanted to make a great deal of money even if it meant spending two years in prison. He gave her instructions to get assigned to communications security positions where she would have access to classified information. In September 1979, John Anthony Walker flew to Fort Polk where his daughter was stationed and inquired about her willingness to turn over classified information. She claims to have declined the offer. In October 1979, she separated from the service and subsequently moved to California. In February 1982, her father appeared unannounced at her residence with a couple, [redacted] of [redacted] California. He asked to meet with his daughter at the [redacted] apartment the next day. There she claims, he asked her to re-enlist in the Army and if she could get access to classified information would receive payments in excess of \$1,000 per month. He gave her specific instructions as to what she would have to do. While she was in California her father sent her \$500 saying it was from his "man in Europe." She believes that [redacted] is involved. We have not yet positively identified [redacted]

checking account in her name only at the Barkeley (phonetic) Bank
of California. This bank is located on a corner lot on Foothill
Boulevard, Hayward, California. LAURA WALKER SNYDER advised she
received \$500 from JOHN WALKER in cash and through the mail, which
she deposited in her account at this bank. This money (\$500) was
described by JOHN WALKER as an advance to LAURA WALKER SNYDER from
the "man from Europe." LAURA WALKER SNYDER advised she accepted
this money only because of [redacted]
[redacted] LAURA WALKER SNYDER reiterated that at no time had
she provided classified United States Government material to JOHN
WALKER.

LAURA WALKER SNYDER stated contacts with her father
following her separation from the United States Army were limited
to letters received from him, except for JOHN WALKER's visit with
her (approximately February, 1982) in Hayward, California.

LAURA WALKER SNYDER advised JOHN WALKER had been a good
friend of a United States Army Major whom he introduced to her in
Norfolk, Virginia (date unrecalled, but approximately August, 1979).
JOHN WALKER, according to LAURA WALKER SNYDER, indicated this United
States Army Major was in a position to arrange for her a choice
position and United States Army post, should she decide to re-enlist.
This United States Army Major was stationed at this time at [redacted]
[redacted] Virginia, according to LAURA WALKER SNYDER. LAURA WALKER
SNYDER believes JOHN WALKER had indicated to her the United States
Army Major was subsequently promoted to Colonel, United States Army,
and may still be on active duty. LAURA WALKER SNYDER further described
him as a [redacted] feet tall, [redacted] pounds, name unrecalled.

LAURA WALKER SNYDER advised she has been in telephonic contact with her mother, BARBARA WALKER, following BARBARA WALKER's return from Norfolk, Virginia to Massachusetts. BARBARA WALKER informed her that JOHN WALKER indicated LAURA WALKER SNYDER "would go down the tubes" with him, if information relative to JOHN WALKER's past activities were made known to the proper authorities. LAURA WALKER SNYDER emphatically denied she had ever received \$2,000 from JOHN WALKER. LAURA WALKER SNYDER stated she very much resents JOHN WALKER's "lying" to her mother, BARBARA WALKER, in this regard. LAURA WALKER SNYDER indicated she informed BARBARA WALKER she had been in telephonic contact with JOHN WALKER and that this conversation was taped.

LAURA WALKER SNYDER advised she would agree to a polygraph examination in the future.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 3/21/85

~~This communication is classified "SECRET" in its entirety.~~

On March 19, 1985, Mrs. BARBARA JOY CROWLEY WALKER [redacted]
[redacted] Massachusetts, was interviewed at [redacted]
residence by Special Agents (SA) [redacted] and [redacted]
[redacted] concerning her allegations that her ex-husband, JOHN
ANTHONY WALKER, 8524 Old Ocean View Road, Norfolk, Virginia, had
engaged in espionage activities on behalf of the Soviet Union dur-
ing a portion of his career in the UNITED STATES NAVY after
being advised of the identity of the interviewing Agents and the
nature of the investigation being conducted, Mrs. WALKER fr [redacted]
and voluntarily furnished the following information:

b6
b7C

Mrs. WALKER indicated that she first met JOHN WALKER
in late 1956 at which time he was assigned as a radioman third
class aboard the United States Ship (USS) "Johnny Hutchins" based
in Chelsea, Massachusetts. They were subsequently married on
June 4, 1957 and remained together until their separation in 1975.
They were later divorced at Norfolk, Virginia, on June 22, 1976.
Following their divorce, Mrs. WALKER resided with her mother in
Skowhegan, Maine, until her mother's death in April 1984, at which
time she moved to her present residence in [redacted] Massachu-
setts.

b6
b7C

Mrs. WALKER stated that JOHN WALKER was in the UNITED
STATES NAVY from 1955 to 1976 and spent considerable time stationed
aboard Polaris type submarines. JOHN worked in the communications
field and possessed a TOP SECRET/CRYPTO clearance during his entire
naval career. He is presently employed as the owner of a private
detective agency, "CONFIDENTIAL REPORTS," located in Norfolk,
Virginia. JOHN operates this agency together with his brother,
ARTHUR WALKER.

Mrs. WALKER stated that she became suspicious of JOHN's
activities during the period 1967-1968. JOHN was assigned to
the "CINCLANT COMMAND" in Norfolk, Virginia, and began purchasing
items which she felt were beyond their financial resources. She
was particularly curious of JOHN's behavior in view of the fact
that a small restaurant, named the "BAMBOO SNACK BAR," which
they had opened in 1966 in Ladson, South Carolina, had recently
folded resulting in a monetary loss [redacted] Mrs.

WALKER indicated that these purchases by JOHN included two sailboats, one costing \$900.00, the other \$5,500.00, new furniture costing \$5,000 to \$7,000 and \$350. per month rental on a plush apartment in the Algonquin House in Norfolk. She stated that JOHN paid for these items in cash and indicated to her that the extra money was derived from his ferrying rental cars from Norfolk to Washington, D.C.

Mrs. WALKER's suspicions of JOHN's activities and access to money were further aroused after having examined the contents of a metal box JOHN kept in a drawer of his desk located in their Algonquin House apartment. Inside the metal box she observed several rolls of film, several small black and white photographs containing roads, trees and bushes with arrows pointing to specific areas, a hand drawn map, and a note which stated in part, "information not what we wanted, want information on rotor." Mrs. WALKER indicated that JOHN confronted her while she was examining these items [REDACTED]

[REDACTED] She recalled calling JOHN a traitor, that [REDACTED] and the following morning had commented, "when will it all end." Mrs. WALKER believed this incident took place in 1968.

b6
b7C

From that point on, Mrs. WALKER was convinced that her husband was secretly furnishing classified information to the Soviets. While she can recall JOHN using the work Russian on only one occasion, the references he made to "they" and "them" when discussing his activities were mutually understood as identifying his Soviet contacts. She further recalled that JOHN once told her, "you'd be surprised who got me started," and subsequently commented, "you'd be surprised how many are doing it." JOHN indicated to her at one time that he had contracted to provide them with information for the remainder of his career.

Mrs. WALKER stated that it was her belief that JOHN transacted his espionage activities at three month intervals and that all his contacts took place in the Washington, D.C., area. She indicated that she had accompanied her husband on two of these "missions", 1969 and 1971, and described them as follows:

In each instance JOHN had filled a medium size paper bag with items of trash prior to leaving their residence. He would then place this paper bag in his luggage after which they would proceed to the airport. They flew into Washington, rented a car, and drove to the HOLIDAY INN in Fairfax, Virginia. Shortly

BS [REDACTED]

after checking into their motel room, and prior to the onset of darkness, they departed the motel and drove to a nearby rural area where, on one occasion, JOHN indicated he was "looking for a signal." After approximately one hour of driving, they returned to their motel and awaited the arrival of darkness. Once dark, they again left the motel and drove to area they had examined that afternoon. At a certain point in the road they stopped and JOHN exited the car with the paper bag. He walked several feet off the road, left the paper bag by a tree and returned to the car. They drove for several minutes and stopped again on the same road. JOHN left the car, walked a short distance off the road, then returned carrying a similar paper bag as the one [REDACTED] deposited earlier.

Mrs. WALKER indicated that she was with JOHN the entire time on each of these two "missions." On the second "mission", Mrs. WALKER observed several rolls of film in the paper bag left by JOHN and recalled that the paper bag he picked-up contained \$35,000 in fifty and one hundred dollar bills. They taped this money to their bodies and put some inside her coat lining prior to flying back to [REDACTED] California. After returning to California, they placed some of the money in a safety deposit box and divided the remainder into \$1,500 lots to be used to pay the bills while JOHN was at sea.

b6
b7C

Mrs. WALKER recalled that they stayed at the HOLIDAY INN in Fairfax, Virginia on these two instances and that JOHN used a travel agency [REDACTED] (unrecalled) to arrange the travel. JOHN completed the motel registration card and paid for the room by credit card. She was unaware if JOHN used his true name; however, she remembered he had used the alias JIM HARDER at some time during this period.

These two "missions" were the only instances wherein Mrs. WALKER accompanied her husband. However, in 1973, while enroute by car from [REDACTED] California, to Norfolk, Virginia, they stopped in Washington, D.C., and JOHN made another "drop." Upon his return to the motel, JOHN possessed a large sum of money.

b6
b7C
b7E

Mrs. WALKER could not recall any names JOHN mentioned when referring to his Russian contacts and was unable to remember having ever answered any suspicious telephone calls directed to JOHN. With the exception of a [REDACTED] which JOHN indicated to her he used to photograph documents, she never observed JOHN utilize any other equipment of type used in clandestine intelligence gathering activity.

Mrs. WALKER did recall that on one occasion JOHN had stated that he had informed the Russians that his wife had gone with him on two "missions." Later Mrs. WALKER recalled finding a second note in JOHN's strong box which advised JOHN that he should have a legitimate reason for making these trips out of town.

Mrs. WALKER believes that JOHN recruited his brother, ARTHUR WALKER, a retired Lieutenant Commander in the UNITED STATES NAVY, and a friend, [REDACTED]

b6
b7C

[REDACTED] into his espionage activities from 1968 to 1976. She further stated that her daughter, LAURA WALKER SNYDER, while stationed at Fort Polk, Louisiana, in 1978-1979 with the UNITED STATES ARMY, had reported receiving several telephone calls from JOHN requesting she furnish him with information. LAURA told Mrs. WALKER that she had refused these overtures from her father.

Mrs. WALKER indicated that her son, MICHAEL WALKER, currently in the UNITED STATES NAVY aboard the [REDACTED] [REDACTED] has never mentioned receiving any requests from his father to furnish him with classified information.

b6
b7C

Mrs. WALKER stated that JOHN WALKER possessed a TOP SECRET/CRYPTO security clearance during his naval career and was assigned to communications duties at the following duty stations:

1958	"UNITED STATES SHIP JOHNNY HUTCHINS", Chelsea, Massachusetts. "UNITED STATES SHIP (USS) FORRESTAL", Charleston, South Carolina.
1959	"USS GILMORE", Charleston, South Carolina attended submarine school, Groton, <u>Connecticut</u> .

As evidence of the fact that JOHN was receiving income from other than UNITED STATES NAVY sources, Mrs. WALKER cited following expenditures made by JOHN during the period 1968-1976; a Cessna airplane, a motorboat, a lot in Nassau, lots in St. Petersburg and Tampa, Florida, and two waterfront lots in Kittyhawk, North Carolina. These purchases were in addition to the fact that the family frequently dined at restaurants, traveled often to Reno, Nevada, and Disneyland in California, and bought expensive cloths.

Mrs. WALKER stated that she had telephonically tried to relate her suspicions concerning JOHN to the FEDERAL BUREAU OF INVESTIGATION (FBI) on two previous instances but on each occasion had retreated prior to full disclosure. She advised that she was presently disclosing this information because her conscience would no longer allow her to remain silent. She indicated that she had informed her children of her suspicions about their father over the past few years and that they concurred in her decision to inform the FBI.

Mrs. WALKER admitted that her ex-husband had [REDACTED] and that he [REDACTED] after their divorce.

b6
b7C

Mrs. WALKER admitted to [REDACTED] and to having [REDACTED]. She feels [REDACTED] began as a result of JOHN's activities on behalf of the "SOVIETS" and [REDACTED].

Mrs. WALKER dismissed the theory that JOHN's alleged espionage activities could have been in fact criminal behavior and that his financial payoffs resulted from an involvement in illegal drug transactions.

Mrs. WALKER stated that she would be willing to undergo a polygraph examination to attest to the veracity of the allegations concerning JOHN ANTHONY WALKER.

In addition to the foregoing information, Mrs. WALKER furnished the following biographic data:

RE NORFOLK SECURE TELCAL TO SSA [REDACTED] MAY 3, 1985.

AS YOU KNOW, THE NORFOLK OFFICE IS CURRENTLY HANDLING A MAJOR FCI INVESTIGATION (WIND FLYER, NF [REDACTED]) WHICH HAS THE POTENTIAL TO BE ONE OF THE MOST SIGNIFICANT ESPIONAGE CASES THE FBI HAS INVESTIGATED. SPECIFICALLY, THE CASE INVOLVES TWO BROTHERS WHO COOPERATED WITH THE SOVIETS WHILE THEY WERE IN THE NAVY AND WHO APPEAR TO HAVE CONTINUED THEIR ESPIONAGE ACTIVITIES AFTER THEIR RETIREMENT BY RECRUITING OTHER ACTIVE DUTY MILITARY PERSONNEL.

DURING THEIR NAVY CAREERS, BOTH SUBJECTS HAD ACCESS TO EXTREMELY

SENSITIVE CLASSIFIED INFORMATION; FOR A PERIOD OF TIME ONE WAS THE TOP SECRET CONTROL OFFICER AT THE OFFICE OF THE COMMANDER IN CHIEF, ATLANTIC FLEET, BOTH HAD TOP SECRET CRYPTOGRAPHIC ACCESS AND BOTH WERE SUBMARINERS. SINCE THE TWO WITNESSES (THE WIFE AND DAUGHTER OF THE PRIMARY SUBJECT) HAVE TAKEN AND PASSED POLYGRAPH EXAMINATIONS THERE APPEARS LITTLE DOUBT THAT THE SUBJECTS HAVE COMMITTED ESPIONAGE. OUR INVESTIGATION IS FOCUSING ON PROVING THEIR ESPIONAGE FOR TRIAL, IDENTIFYING AND PROVING THE INVOLVEMENT OF OTHERS, AND DETERMINING THE EXTENT OF DAMAGE TO THIS COUNTRY FROM THEIR TREACHERY. SINCE THESE SUBJECTS HAD WIDE ACCESS, THE DAMAGE THEY PROBABLY CAUSED TO OUR NATIONAL SECURITY IS EXTREMELY SERIOUS. NORFOLK UNDERSTANDS THAT [] HAS DESCRIBED THE DAMAGE THESE SUBJECTS CAUSED AS POTENTIALLY "THE BIGGEST CRYPTOGRAPHIC DISASTER SINCE WWII."

NORFOLK HAS AN FCI TSL OF [] AND A TERRORISM PROGRAM TSL OF [] AT PRESENT, [] AGENTS ARE ASSIGNED FULL TIME TO FCI AND TERRORISM INVESTIGATIONS. DIRECTORIES REVEALS THAT THE AFOREMENTIONED WALKERS STILL RESIDE IN THE LOCAL AREA AT THE SECOND PROPERTY THEY PURCHASED AND IT IS APPARENT THAT THIS JOHN WALKER IS NOT IDENTICAL TO THE PRIME SUSPECT IN CAPTIONED MATTER.

A SUBSEQUENT SEARCH OF THE RECORDS OF THE PROPERTY APPRAISERS OFFICE FOR BREVARD COUNTY, FLORIDA, FAILED TO LOCATE ANY RECORD OF A PROPERTY PURCHASE BY THE PRIME SUSPECT IN THIS MATTER OR HIS WIFE. THE SEARCH RANGED FROM 1950 THROUGH THE PRESENT TIME AND WAS MADE IN THE NAMES JOHN ANTHONY WALKER, AND BARBARA JOY CROWLEY WALKER.

DURING A SUBSEQUENT DISCUSSION WITH OFFICIALS OF THE LOCAL PROPERTY APPRAISERS OFFICE, A HYPOTHETICAL SITUATION WAS POSED BY THE LOCAL OFFICIALS WHICH COULD POSSIBLY EXPLAIN THE NEGATIVE RECORD CHECK BASED ON INFORMATION FURNISHED BY THE COMPLAINANT IN THIS MATTER. IF AN INDIVIDUAL HAD PURCHASED PROPERTY ON AN UNRECORDED CONTRACT, SUCH AS THROUGH A LAND DEVELOPMENT COMPANY, AND THEREAFTER HAD DEFAULTED ON PAYMENTS PRIOR TO THE ISSUANCE OF A TITLE TO THE PURCHASER, THEN ONE COULD HAVE BEEN UNDER THE IMPRESSION THAT THEY PURCHASED PROPERTY IN FLORIDA WHILE A CHECK OF PROPERTY TAX APPRAISERS RECORDS WOULD NOT HAVE SHOWN THAT PURCHASE.

PAGE THREE TP [REDACTED] ~~SECRET~~

b3
b7E

HOWEVER, SUCH A HYPOTHETICAL SITUATION WOULD NOT ANSWER THE INFORMATION SET FORTH IN REFERENCED TELETYPE IN WHICH JOHN WALKER INDICATES THAT HE PURCHASED A LOT IN CAPE CANAVERAL, FLORIDA, AND PAID FOR SAME WHICH WAS SUBSEQUENTLY LOST TO THE STATE OF FLORIDA

[REDACTED] OUR LOCAL TAX

APPRAISER OFFICIALS DID NOT BELIEVE THAT SUCH A SITUATION COULD EXIST BECAUSE ANY TYPE OF TAX PAYMENT BY THE OWNERS OR SUBSEQUENT LOSS OF THE PROPERTY [REDACTED] OF SAME WOULD HAVE CERTAINLY RESULTED IN A RECORD WHICH THE LOCAL APPRAISERS OFFICE COULD HAVE LOCATED.

b6
b7C

BASED ON COMMENTS BY THE LOCAL OFFICIALS, THEY ALSO SERIOUSLY DOUBTED THAT SUCH A TRANSACTION COULD HAVE OCCURRED IN CAPE CANAVERAL DURING THAT PERIOD AS THIS AREA IS WELL SUBDIVIDED AND HAS BEEN A RESIDENTIAL AREA FOR QUITE SOME TIME. THEY ALSO ADVISED THAT IN THE MID-60S AND EARLY 70S, THERE WAS A LAND PROMOTION IN THE LOCAL AREA AT CANAVERAL GROVES, AND THEY NOTED THAT THE PROPERTY IN THIS PROMOTION WAS PROBABLY SOLD ON UNRECORDED CONTRACTS AS IN THE HYPOTHETICAL EXAMPLE MENTIONED ABOVE. THE MAIN OFFICE FOR CANAVERAL GROVES, INC., WHICH IS PROBABLY A SUBSIDIARY OF CANAVERAL GROVES INTERNATIONAL, IS PRESENTLY LOCATED IN MIAMI AND THE FOLLOWING

OR [REDACTED] OF THE

AS MENTIONED IN THE HYPOTHETICAL EXAMPLE ABOVE WHICH INVOLVED
[REDACTED] THE PRINCIPAL SUSPECT AND/OR HIS WIFE IN A LAND PURCHASE
AT CANAVERAL GROVES. THE POST OFFICE ADDRESS FOR CANAVERAL GROVES
WAS LISTED AS P.O. BOX 381218, LITTLE RIVER STATION, MIAMI, FLORIDA,
33138.

DUE TO THE SENSITIVITY OF THIS MATTER AND THE LONG SHOT NATURE
OF THE CANAVERAL GROVES LEAD MENTIONED ABOVE, TAMPA HAS NOT
FURNISHED THIS MATTER TO MIAMI NOR SET OUT A LEAD IN THAT REGARD.

On at least two occasions John Walker traveled to Washington, D.C., between 1969-1971 to clear "dead drops." He was accompanied by his wife.

John Walker continually attempted to recruit his daughter, Laura Walker Synder, to work for him and obtain classified information which would be given to his "man in Europe." She could expect to receive between \$500 and \$1,000 per month. In 1982 Walker attempted to have her re-enlist. Snyder was involved in Communications while in the Army and dealt with the KG-27 Secure Communications System. Snyder was paid \$100 and \$500 by her father on separate occasions as an indication of the type of money she could receive from the "man in Europe."

John Walker has lived beyond his means; purchasing boats, planes and numerous pieces of property.

John Walker may have worked in the CINCLANT COMMAND, U.S. Navy, and had access to Crypto/Secret information.

The following is a chronological summary of the investigation to date conducted in the John A. Walker; Arthur J. Walker espionage case:

(1) November 29, 1984. Barbara Joy Crowley Walker (former spouse of subject John Anthony Walker) was interviewed by Boston concerning her allegations that John Walker and his brother Arthur James Walker had provided classified information to the SIS.

(2) February 14, 1985, Boston airtel to Buffalo and Norfolk advising them of the results of the interview of subject's ex-wife (no copy to [redacted]).

(3) February 27, 1985, Norfolk airtel to FBIHQ. Not received.

(4) March 8, 1985, secure phone call between SSA [redacted] and SSA [redacted] advising FBIHQ of the case and recent developments.

(5) March 11, 1985, Norfolk teletype setting forth details of the case and requesting full investigation, consensual monitoring, and setting forth leads to San Francisco, to attempt to locate [redacted] who is allegedly also involved with the Walkers.

New York Office indices revealed nothing that appeared to be identifiable with the subject, JOHN ANTHONY WALKER, Jr. It should be noted that New York indices contain about eighty references to the names JOHN, JOHNNY and JACK WALKER. Nothing prior to 1955 (the year he turned 18) was reviewed. Except for the period when JOHN WALKER was known to be in New York (1957-1958), most general criminal references were not reviewed. All references since 1955 concerning confidential sources, ELSUR, FCI, domestic security and FOIPA were reviewed.

The New York City Police Department (NYCPD) has no record of subject, JOHN WALKER by identifying information provided by Norfolk.

Information provided by the New York Telephone Company indicates that telephone number (718) 529-9559 is listed to a coin operated public telephone located at TWA gate #3 on the second floor at JFK Airport, Queens, New York.

On 5/2/85, [REDACTED]

[REDACTED] of GOLDOME, 1230 Avenue of the Americas, New York, New York, was handed administrative requests for the records of the accounts of JOHN ANTHONY WALKER, JR.; ARTHUR JAMES WALKER; CONFIDENTIAL REPORTS, INC. and/or COUNTER-SPY; and WALKER ENTERPRISES, INC. On 5/8/85, [REDACTED] said no records of those accounts could be located by the identifying information provided. [REDACTED] said that the New York Bank for Savings no longer exists because it was absorbed about two years ago by what is now GOLDOME. He advised that records of accounts with a zero balance are destroyed after a few years; however, records of stagnant accounts with a balance are retained for at least five years. He did not expect to find records of CONFIDENTIAL REPORTS, INC. and/or COUNTER-SPY, or WALKER ENTERPRISES, INC. because the New York Bank for Savings did not usually handle commercial accounts. He also advised that WALKER is a common name; and consequently, complete and accurate identifying information is necessary to locate the records.
